<b>Description</b>	<p>The <a href="#">Kentucky Uniform Academic Course Code List</a> contains a listing of course descriptions and parameters along with certifications that fit the parameters for a given course. Please note that the table of contents and the bookmarks in each PDF document are clickable for ease of navigation. The content listed for a course cannot be changed; however, the grade range and population information listed for each course are not absolute and can vary slightly depending on the needs of the school. District should choose the course that most closely represents the students in a given course. <i>The description and content of a course are the determining factors in what should be selected.</i></p>		
<b>Data Standard Reg sites, data use, etc.</b>	The linking of course codes is required by <a href="#">704 KAR 3:540</a> .

The screenshot shows a web-based course management interface. At the top, it displays '102 READING' and 'Catalog: District Catalog'. Below this are tabs for 'Course Master Info', 'Grading Tasks', and 'Standards'. A toolbar contains 'Save', 'Delete', and 'New' buttons. The main area is titled 'Course Master Detail' and contains several input fields: '\*Course Catalog' (set to 'District Catalog'), '\*Number' (102), 'State Code' (2703), '\*Name' (READING), 'Department' (dropdown), 'Active' (checkbox, checked), and 'Activity' (dropdown). A dropdown menu is open, listing various algebra courses with their codes, such as 'Accelerated Algebra 1 (270306)', 'Algebra 1 (270304)', and 'Algebra 2 (270311)'. The interface also includes a 'Source' button and a warning message: 'word, is not recommended.'

**State Code:** Enter appropriate state code. State course codes are six numerical digits and should not end with 00. Use the following web link to find appropriate state code:

<http://education.ky.gov/curriculum/docs/pages/kentucky-uniform-academic-course-codes.aspx>

Only valid numbers may be entered.

School/District staff can search for the correct state code by entering either the name or the code number into the state code box. Matches will populate in the drop down list; choices will narrow as additional information is entered.

## 270311 - Algebra 2
